Intellectual Property Protection Architecture Across Copyright and Trademark Law

Under federal law set forth in Circular 33, names, acronyms, titles, and short phrases cannot be copyrighted. Securing complete legal ownership of SAEF, D.U.E. Diligence Unequivocally Executed, and SAEF Exam requires pairing federal service mark and certification mark registrations through Trademark Center with literary copyright registration through Copyright Office.

Candidate Acronym Expansions for SAEF and SAEF Exam

Section 8 of the July SAEF Framework identifies defining the SAEF acronym as the primary open design decision. Each option below is structured so the acronym functions simultaneously for the clinical practice, the provider credential suffix, the Stage 3 survivor forensic examination, and the clinician certification test.

Candidate Acronym Expansion	SAEF Practice Meaning	SAEF Exam Clinical Meaning	SAEF Exam Credentialing Meaning	Alignment With Core Design Principles
Sexual Assault Evidentiary Forensics	Coterminous clinical, mental health, forensic, and legal care system	Sexual Assault Evidentiary Forensics Examination (Stage 3 DNA and medical care)	Sexual Assault Evidentiary Forensics Board Certification Examination	Directly pairs trauma-informed care with uncompromised chain-of-custody rigor and CODIS readiness
Survivor-Anchored Evidentiary Forensics	Practice centered on one continuous survivor identity from discloser to reporter	Survivor-Anchored Evidentiary Forensic Examination	Survivor-Anchored Evidentiary Forensics Provider Examination	Encodes Principle 1 (One Identity) and Principle 4 (Survivor Control of the Clock and statutory tolling)
Sexual Assault Evaluation and Forensics	Integrated medical evaluation, Sexual Assault Therapy, and forensic interview model	Sexual Assault Evaluation and Forensics Examination	Sexual Assault Evaluation and Forensics Licensing Examination	Bridges comprehensive gynecological and psychiatric evaluation with single-recording forensic interviewing
Sexual Assault Evidence and Forensics	Unified clinical and forensic evidence preservation practice and 501c3 arm	Sexual Assault Evidence and Forensics Examination	Sexual Assault Evidence and Forensics Credentialing Examination	Clean, authoritative phrasing for statutory drafting, federal grant applications, and courtroom testimony
Synchronized Advocacy, Evidence and Forensics	Single overlapping discipline collapsing medical, therapeutic, forensic, and legal stages	Synchronized Advocacy, Evidence and Forensics Examination	Synchronized Advocacy, Evidence and Forensics Certification Examination	Captures the thesis of collapsing the fragmented institutional relay into one continuous team under one roof
Standardized Acute and Extended Forensics	Practice serving both acute post-assault care and delayed six-year reporting pathways	Standardized Acute and Extended Forensic Examination	Standardized Acute and Extended Forensics Board Examination	Highlights that evidence preservation and therapeutic care remain intact whether reporting occurs immediately or years later
