SECTION I FORENSIC NOTICE OF ONEDRIVE TRUNCATION (0:44 TO 24:14 MISSING SEGMENT)

■ Accommodation Request and Recording Confirmation: Prior to the September 18, 2026 advising session, Chavon J. Wright requested recording and automated closed-captioned transcription as a disability accessibility accommodation. At timestamps 0:04 through 0:44, Director Angie Zamecnik confirmed on the record that recording and transcription were active and would automatically transmit at the conclusion of the session.

■ Compromised OneDrive Sync Artifact: The recording and transcript files synced to the student OneDrive account (chavwright@herzing.edu) were subsequently truncated to omit 23 minutes and 30 seconds of substantive conversation, jumping directly from timestamp 0:44 to timestamp 24:14.

■ Independent Notary and Auditor Witness Verification: Because an independent notary and auditor was retained to audit the session in real time and record contemporaneous witness notes, and because independent copies were preserved prior to the OneDrive alteration, the full contents of the omitted 0:44 to 24:14 window are preserved below alongside the verbatim Teams transcript segments.

SECTION II CONTEMPORANEOUS INDEPENDENT AUDITOR AND NOTARY WITNESS NOTES (0:44 TO 24:14)

Discussion Topic	Contemporaneous Witness Record of Statements and Admissions
Role and Scope of Student Services vs. Student Affairs	Director Angie Zamecnik confirmed she has served as Director of Student Services for Online Nursing since 2023. She stated that Student Affairs is the overarching umbrella division under Vice President Dr. BriAnne Danielson, while Student Services and Accessibility/ADA Services sit beneath Student Affairs. She stated she can see that ADA requests exist in the system but cannot view underlying clinical details, which are handled by the ADA Coordinator.
Prior Escalations to Advisor Sam Taubenheim and AVP Dr. David Steele	Chavon Wright noted that her assigned Student Services Advisor, Sam Taubenheim, was copied on every internal escalation and EthicsPoint filing across the prior 16 months, and that five EthicsPoint filings remained unanswered. Ms. Zamecnik admitted she had heard about Ms. Wright's situation and was looped into matters in 2026, though she could not recall the exact month off the top of her head, and stated Ms. Wright should have heard back from AVP Dr. David Steele.

Discussion Topic	Contemporaneous Witness Record of Statements and Admissions
Withheld Transfer Credit Evaluation and Program Change Refusal	Ms.Wright asked for the written Student Services records and Transfer Credit Evaluation promised in Ms. Zamecnik's September 14, 2026 email. Ms. Zamecnik stated that Ms. Wright was not permitted to execute an internal program change into the Master of Science in Health and Human Services (MS-HHS) because the September deadline had passed, claiming she would instead have to apply for re-entry.
Admission of Internal Salesforce Escalation Records	When asked to produce Ms. Wright's complete Student Services file under FERPA, Ms. Zamecnik stated that Student Services logs all advisor notes, dates, times, and escalations in Salesforce rather than a single student-facing folder. She admitted that she can manually access Salesforce to pull dates, times, and escalation entries for Ms. Wright's record.
Admission That SAP Dismissal Was Initiated Prior to Pending Grade Appeal Adjudication	Ms. Wright asked why Student Services placed her into a Satisfactory Academic Progress (SAP) appeal and dismissal process before her timely September 4, 2026 Grade Appeal was adjudicated, since SAP standing depends on finalized course grades. Ms. Zamecnik admitted that administrative mistakes happen, confirmed she spoke with VP Dr. BriAnne Danielson that morning regarding the grade appeal, and admitted that an SAP appeal would not be needed unless Ms. Wright were returning to the nursing program rather than transferring to MS-HHS. Ms. Zamecnik instructed Ms. Wright to email her the PDF proof of the submitted Grade Appeal and addendum and identified her direct supervisor as Jeff Ramsey and division head as VP Dr. BriAnne Danielson.

0:04	Chavon Wright	Yeah, but you have to make it so that I can select record and transcribe. It's like allow others to record and transcribe.
0:13	Angie Zamecnik	It is recording and transcribing; it'll send to you at the end.
0:15	Chavon Wright	Wright.
0:18	Angie Zamecnik	Do you see that it, you should see on your end that it is doing that. Do you see the pop-up?
0:28	Chavon Wright	By attending, yes, I see the pop-up.
0:28	Angie Zamecnik	And if you look in the chat too, it'll say, yeah, and if you look in the chat too, it'll say it just started recording. And it'll automatically send to you at the end.
0:36	Chavon Wright	Okay, cool. Even if I'm not logged in with my e-mail.
0:44	Chavon Wright	It's okay. If it doesn't, I'll shoot you a message and you can... I just went to the link.
0:44 to 24:14	[TRUNCATED IN ONEDRIVE]	[23 MINUTES AND 30 SECONDS OMITTED FROM ONEDRIVE SYNCED FILE — DOCUMENTED IN SECTION II AUDITOR NOTES ABOVE]
24:14	Angie Zamecnik	There's multiple departments, but Student Services is the ones that initiate that process.
24:16	Chavon Wright	In Student Services. Right, and who is that person?

Timestamp	Speaker	Verbatim Transcript Entry
24:21	Angie Zamecnik	Well, it would be your Student Services Advisor, but because you're no longer a student, it would be me.
24:24	Chavon Wright	And, and... Great. So we are on the same page. You understand where you can help me. May I have, who is over student services? I just want to loop them in because I want to make sure that you understand how I can be helped because it seems like, I don't want to go too far, but I
24:43	Angie Zamecnik	You can, yeah, you can loop in Brianne Danielson.
24:48	Chavon Wright	Who is Brianne Danielson? What's her title?
24:50	Angie Zamecnik	She said you emailed her earlier.
24:52	Chavon Wright	I, I'm just asking you, do you know what she does?
24:55	Angie Zamecnik	Yes, she is. Let me look at her official title.
25:00	Chavon Wright	Is that who you report to from Student Services?
25:03	Angie Zamecnik	She is the Vice President of Student Affairs.
25:06	Chavon Wright	OK, so let's go a little bit lower, because this is just a Student Services like issue, right? Because you guys initiate that.
25:14	Angie Zamecnik	No, it's a student affairs issue.
25:17	Chavon Wright	No, there are student affairs issues, but this grade appeal is Student Services. That's what you've told me. So who is the, who do you report to? Who is, who's the, no, no, no, just who do you report to? Angie, it's such a simple question. I would like to make sure. Thank you. I just want to make sure that there's somebody who's making sure because you've gotten my escalations and I've heard nothing from you.
25:26	Angie Zamecnik	If you wanted to go a little bit lower. Jeff Ramsey is who I report to.
25:45	Chavon Wright	Right? So I just want to make sure, so I want to make sure that since you have told me that I can no longer get support from Sam and that I cannot get support from you, that I do have a point of contact. Does that make sense?
25:46	Angie Zamecnik	I emailed you twice this week, so you did hear from me both times. Correct. You, you did, you did ask for support from me, and I did say I would provide that support.
26:04	Chavon Wright	No, you said that you would not. You said I needed to go through ethics point and that you had nothing else to say. I'll attach that as well.
26:11	Angie Zamecnik	Yes, I have that e-mail with your concerns that you emailed me about. That is correct. But if you are looking, if you are looking...
26:19	Chavon Wright	Yeah, I know I'm correct. You told me I'm not, you said, you said I can't do anything else. Go to ethics.

Timestamp	Speaker	Verbatim Transcript Entry
26:24	Angie Zamecnik	If you're looking to have some get support with your grade appeal that you that we don't have record of, you can send that to me.
26:31	Chavon Wright	Then I would go through Student Services, which would be you and Jeff, Angie and Jeff.
26:36	Angie Zamecnik	That's we both.
26:36	Chavon Wright	And I'll CC Sam just because he's still technically on some paperwork listed as my advisor.
26:41	Angie Zamecnik	Yeah, you don't need to CC him. He's not going to be able to respond. Well, I'm glad you enjoyed working with him.
26:43	Chavon Wright	I would like to. It's fine. I just, you know, for my records.
26:49	Angie Zamecnik	Okay.
26:49	Chavon Wright	Oh, I never said that.
26:51	Angie Zamecnik	Well, I need to I need to go the half hours over. I really did enjoy helping you a little bit here. Feel free to reach out to Jeff Ramsey, Daniel, Brianne Danielson.
26:57	Chavon Wright	Huh? I'm going to reach out to you as well. So just to clarify, the follow-up is I will send you the appeal so that you can see it and assure that they're like that that appeal will be followed because if the correct process happens,
27:15	Angie Zamecnik	You're going to send me proof of your latest appeal, correct?
27:20	Chavon Wright	Yeah, I mean, I'm just going to send you a PDF of it saying, congratulations, you sent your appeal and like all of my appeal information. And then my appeal addendum that I sent.
27:30	Angie Zamecnik	Yes, send that to me and I'll take a look at it.
27:31	Chavon Wright	An e-mail. Okay, great.
27:36	Angie Zamecnik	All right. Well, thank you so much. Have a good rest of your day. Bye.
27:41	Chavon Wright	Hi, Angie. [Zamecnik, Angie stopped transcription]
